NURSE'S REPORT FOR FREEDOM

Physical examinations, including height and weight, have been done on all the school children in the town of Freedom. Notices of all defects found on examination have been sent to all the parents.

I feel strongly that all parents should realize that correction of any and all defects should be part of their regular budgets, such as clothing, food, etc., and they should attempt to correct these defects as soon as possible.

Due to Miss Nelson's illness last year, I cannot give you the number and varieties of defects found, and defects corrected. I am, however, doing all I can to correct any deviations from normal, and hope to be able to give you a detailed report next year.

Three outstanding cases of poor vision have been treated in the month of January, 1940, and the necessary check-ups will be carefully made.

The cooperation of the superintendent, members of the school board, teachers and parents of the community has been very much appreciated.

Respectfully yours,
RUTH E ALLEN, R. N.

SUPERINTENDENT'S REPORT

I herewith submit my thirteenth annual report as superintendent of schools.

The unemployment situation in this country is tragic. Allegedly there are 10,000,000 unemployed, 4,000,000 being young persons between sixteen and twenty-four years of age. Disappointed youth has the greatest right to complain. Free government is on trial today in the opportunity and faith in the future that it offers its youth. Unemployed youth is the soil on which dictatorships grow to power.

It would be very desirable if the beautiful and fertile hillsides in Freedom could be pasture lands for Hereford cattle from farms on which boys and girls would be able and glad to earn a comfortable livelihood. Honest toil in the open country is a blessing to any community.

The schools of Freedom have good teachers and are housed in a comfortable building. The installation of septic toilets has greatly improved the sanitary condition and saves the constant expense of chemical.

The very great need is for a playground on which children can romp and learn to play together. It is a heritage of childhood which should not be denied. Citizens of Freedom should take action on this important matter. If a proper playground could be provided, the front lawn could be made beautiful with shrubbery and flowers—a beauty spot in the beautiful village of Freedom.

For improvement to the schoolhouse I recommend painting outside.

Cooperation of parents and citizens is much needed in securing punctual and regular attendance. Best work cannot be accomplished in school when attendance is irregular.

The health work is under the care of Miss Ruth Allen who is serving while Miss Nelson is recovering from a severe illness. The dental clinic was held as usual and examinations lead to follow-up work. Noon lunch is served in cold weather.

Visual education is still a part of the school program. Special features this year are "Old Scrooge" as a Christmas picture and "Posture" as a help in teaching a healthy manner of standing and sitting. Posture is a very essential element in a beautiful and attractive personality which all young people may well desire.

Last June we graduated a class of eight from the Grammar School: Miles Brooks, Virginia Davis, Ernest Libby, Dallas McKinley, Frank Meserve, Harry Milliken, Margie Nason, Francis LaBelle, nearly all of whom entered high school in the fall.

The following from Freedom were in high school in September:

June Godfrey	Parsonsfield Seminary
Austin Bennett	Parsonsfield Seminary
Jacqueline Towle	Parsonsfield Seminary
Martha Bennett	Parsonsfield Seminary
Harry Milliken	Parsonsfield Seminary
Frances Field	
Robert Field	
Mary Huston	Porter High School
Velma Watson	Kennett High School
Miles Brooks	Kennett High School
Dallas McKinley	Kennett High School
Phyllis Meserve	Madison High School
Jesse Nason	Ossipee High School
Lawrence Chase	Ossipee High School
Forrest Tyler	Ossipee High School
Virginia Davis	Ossipee High School
Frank Meserve	Ossipee High School
Margie Nason	Ossipee High School

The following are in post-secondary attendance:

Linnie Watson, Plymouth Teachers' College
Ruth Doherty, Nurses' Training School, Arlington
Lester Cole, Northeastern Business College
Portland, Maine

For the year ending June 30, 1939, we had an average attendance of 53, an average membership of 57 and a percent of 93.
